Evinco Industries aims to redefine standards in procurement systems and ICT operations. With a commitment to quality, innovation, and sustainability.

# Our Mission and Vision

Briefly elaborate on what you want to discuss.

## Mission

At Evinco Industries, our mission is to deliver innovative procurement, Ict, facility management and logistics solutions that exceed client expectations while maintaining the highest standards of safety and quality.

## Vision

To be a leading provider of procurement services and Ict services, recognized for our commitment to excellence and sustainability.

# Our Goals

## Goal # 1

Deliver Exceptional Quality  
Strive to exceed client expectations by maintaining the highest standards of quality in all projects, ensuring durability

## Goal # 2

Enhance Employee Development  
Invest in training and development programs for our team, fostering a culture of continuous learning

## Goal # 3

Build Strong Client Relationships  
Cultivate lasting partnerships with clients through transparent communication, reliability, and exceptional service delivery

# Meet our Director

**Ofentse Kgwedi**

Director

**Ofentse Kgwedi is the passionate and visionary director of Evinco Industries. Currently pursuing a Bachelor of Commerce degree in Information and Technology Management, she aims to equip herself with the skills necessary to navigate and thrive in today's rapidly evolving business landscape. At just 21 years old, Ofentse also brings valuable experience to her role as a tender administrator and procurement specialist at an engineering firm. This hands-on experience in the construction industry enhances her understanding of project management and operational efficiency.**

**Her commitment to leveraging emerging technologies, including artificial intelligence, positions her to drive innovation within Evinco Industries. Ofentse's youthful energy and dedication to excellence inspire her team and set the foundation for continued growth and success in the modern world.**

# Our Offered Services

## **Site Assessment & Management:**

*Our comprehensive site management services ensure your project runs smoothly from start to finish. We provide on-site supervision, progress tracking, and quality assurance to keep projects on schedule and within budget while maintaining the highest safety standards.*

---

## **Procurement Services:**

*Comprehensive management of the entire procurement lifecycle, ensuring value, transparency, and compliance at every stage. Our team provides strategic sourcing and supply chain support tailored to each client's operational and project needs.*

---

## **Environmental & Facility Support Services**

*Our Environmental and Facility Support Services encompass a range of essential, hands-on solutions designed to maintain safe, clean, and sustainable environments for commercial, industrial, and residential clients.*

---

## **Logistics & Supply Chain Management:**

Our Logistics and Supply Chain Management services ensure the seamless movement of materials, equipment, and resources from procurement to delivery. We focus on efficiency, accuracy, and cost-effectiveness to support uninterrupted project execution.

---

## **ICT Services:**

Our ICT Services provide innovative, secure, and efficient technology solutions that drive operational excellence and digital transformation. We ensure seamless connectivity, reliable systems, and smart data management to empower business performance.

Where Quality,  
Innovation, and  
Technology
